

COMPARISON FIGURES FOR NEW SEGMENT REPORTING TO BE PUBLISHED ON 25 APRIL

Ixonos Plc announced on 7 February that starting from the first interim report in 2008, the company will report its consolidated business operations as two segments: Consulting Services and Software Production Services. The new segments are based on the company's service products, and they illustrate more accurately the character of the company's business operations and the efforts made to develop them.

The company will publish comparison figures for the new segments for the financial period of 2007 on Friday 25 April. The first-quarter interim report will be published on 29 April.
